At the office

Peter: Hi, Linda, you look tired and it's only 9 in the morning! What's up with you?

Linda: Well, you'll never believe what happened this morning....

Peter: Nothing terrible, I hope!

Linda: Firstly, the alarm clock didn't ring because I forgot to set it last night. When I woke up it was already half past seven, so I decided to have just a cup of coffee for breakfast.

Peter: Sounds terrible, starting a day without a complete breakfast, with toast, cereal, milk and some fruit.

Linda: But that's not the end of it! I spilled some coffee all over my new white blouse!

Peter: But you look fantastic in that outfit: pink blouse and blue jeans!

Linda: Thanks... but, you see, I had to change the blouse and the skirt I was wearing so it was very late when I left home. Then, just as I was getting to the platform, the 8.10 train left and I had to wait for the next one, twenty minutes later.

Peter: Anyway, here you are now, ready for a hard day!

Linda: Why do you say so?

Peter: There's a meeting with the new boss in a few minutes. Let's go!

Linda: Oh dear! But where's my computer? Oh no, I left it at home!

Peter: Don't worry. Do you have your pen drive with you? If you do, you can use my computer. If not, you can use a company computer available in the conference room

Linda: Great idea! Let me check... Yes, here it is! I have it in my purse. Thanks, Peter!
